

“Building and Strengthening our Community Through the Arts.”

The Rosemount Area Arts Council (RAAC) had become an integral part of the Rosemount community, giving of residents a chance to experience and take part in artistic endeavors, by offering a wide range of programming such as Concerts, Art Festivals, Music Festivals, Art and Craft Classes, Plays, Author and Writing Events, and much more.

Many of the more than 50 events per year which we sponsor are provided free of charge. We receive no financial support from the City, although the City of Rosemount provides a tremendous amount of support by allowing us to use the facilities for our events and classes. Rather, our support comes from the people of the Communities we serve, through admission to some events, donations, and our most important source, your membership! Membership benefits include: a RAAC membership card, notification of meetings and events and a discount on all RAAC events!

One of our most recent exciting programs which we have instituted is the **Second Act Players**, which gives seniors (50+) an opportunity to experience theater through field trips, and production of plays, plus classes in: set design and building, makeup, wardrobe, stage management, lighting and sound design and operation, as well as script evaluation, improvisational workshops, auditioning, and rehearsals ending up with actual full play production. The Second Act Players is itself a membership organization, however reciprocity with the Rosemount Area Arts Council makes membership in this organization very affordable.
